SECURITY SCREENING

ELECTRONIC ITEMS IN BAGGAGE

You are requested to remove any electronic items **larger than a mobile phone** from your hand baggage to assist with Security Screening.

Please select a suitably sized tray and place all electronic items together in the tray as shown below, without stacking items on top of each other.

Please do not mix electronic items with others, such as liquids, in the same tray. Everyday items such as keys, wallets, mobile phones, coins etc. can be kept in your hand baggage or placed in a separate tray.

Humberside Airport would like to sincerely apologise for any inconvenience this may cause.

Thank You
